99 Names of Allah (Asma'ul Ḥusnā)

Islamic Geometric Patterns
Coloring Book

Owais Dada

In the name of Allah, Most Gracious, Most Merciful

"He is Allah, the Creator, the Originator, the Shaper. To Him belong the most beautiful names. Whatever is in the heavens and the earth glorifies Him, for He alone is the Almighty, the All-Wise."

verse (59:24)

It is narrated in a ḥadīth that the Holy Prophet (ṣallallāhu ‘alayhi wa sallam) said:

"There are 99 names of Almighty Allah. Whoever commits them to memory and rehearses them regularly will enter Paradise."

Learning Asmaul Husna—the 99 Names of Allah—is essential for deepening one's faith, fostering a stronger connection with the Creator, and understanding His divine attributes. Each name reflects a unique quality of Allah, such as Ar-Rahman (The Most Merciful) and Al-Ghaffar (The Ever-Forgiving), helping believers develop love, trust, and reliance on Him. Memorizing and contemplating these names not only enhances spirituality but also inspires individuals to embody these attributes in daily life, such as showing kindness, justice, and patience. Additionally, invoking these names in prayers brings peace, guidance, and blessings, strengthening one's faith and devotion.

Each page of this book presents a name in Arabic, its English transliteration, and its meaning. I have also included profound quotes from *The Mathnawí of Jalálu'ddín Rúmí – The Novel of the Soul* which beautifully complement these divine names and serve as an inspiring way to learn.

I hope the entire family will enjoy coloring these pages and reflecting on their deeper meanings, helping parents, grandparents, teachers and children learn and memorize all of the 99 Names of Allah - Asma'ul Husnā
